Assignments

Five obligatory assignments.

Python.

Think of passing all tests as a necessary but not sufficient criterion.

Learning by doing.

Piazza no longer allowed used at UiO due to GDPR, we may or may not use something else instead.

Science fair

For IN4120 students only, obligatory.

IN4120 students are divided into groups.

Each group prepares a 10-15 minute presentation on a selected or assigned topic.

Some groups will be selected to hold their presentations to all IN4120 and IN3120 students.

Deadlines for group assignment and topic selection to be announced.
